Schedule & Next Steps

Schedule & Next Steps

RIDE Stage I – Identifies the **Need**

Approved and invited SK to submit Stage II

Goal for the RIDE Stage II is to determine:

A Solution to that Need

Why this option?

Did you explore alternatives?

Is this the most cost effective approach?

Schedule & Next Steps

Development & Estimating of the “Project”

Other District Wide facility work has been identified

RIDE Stage II is due Sept. 15th 2023

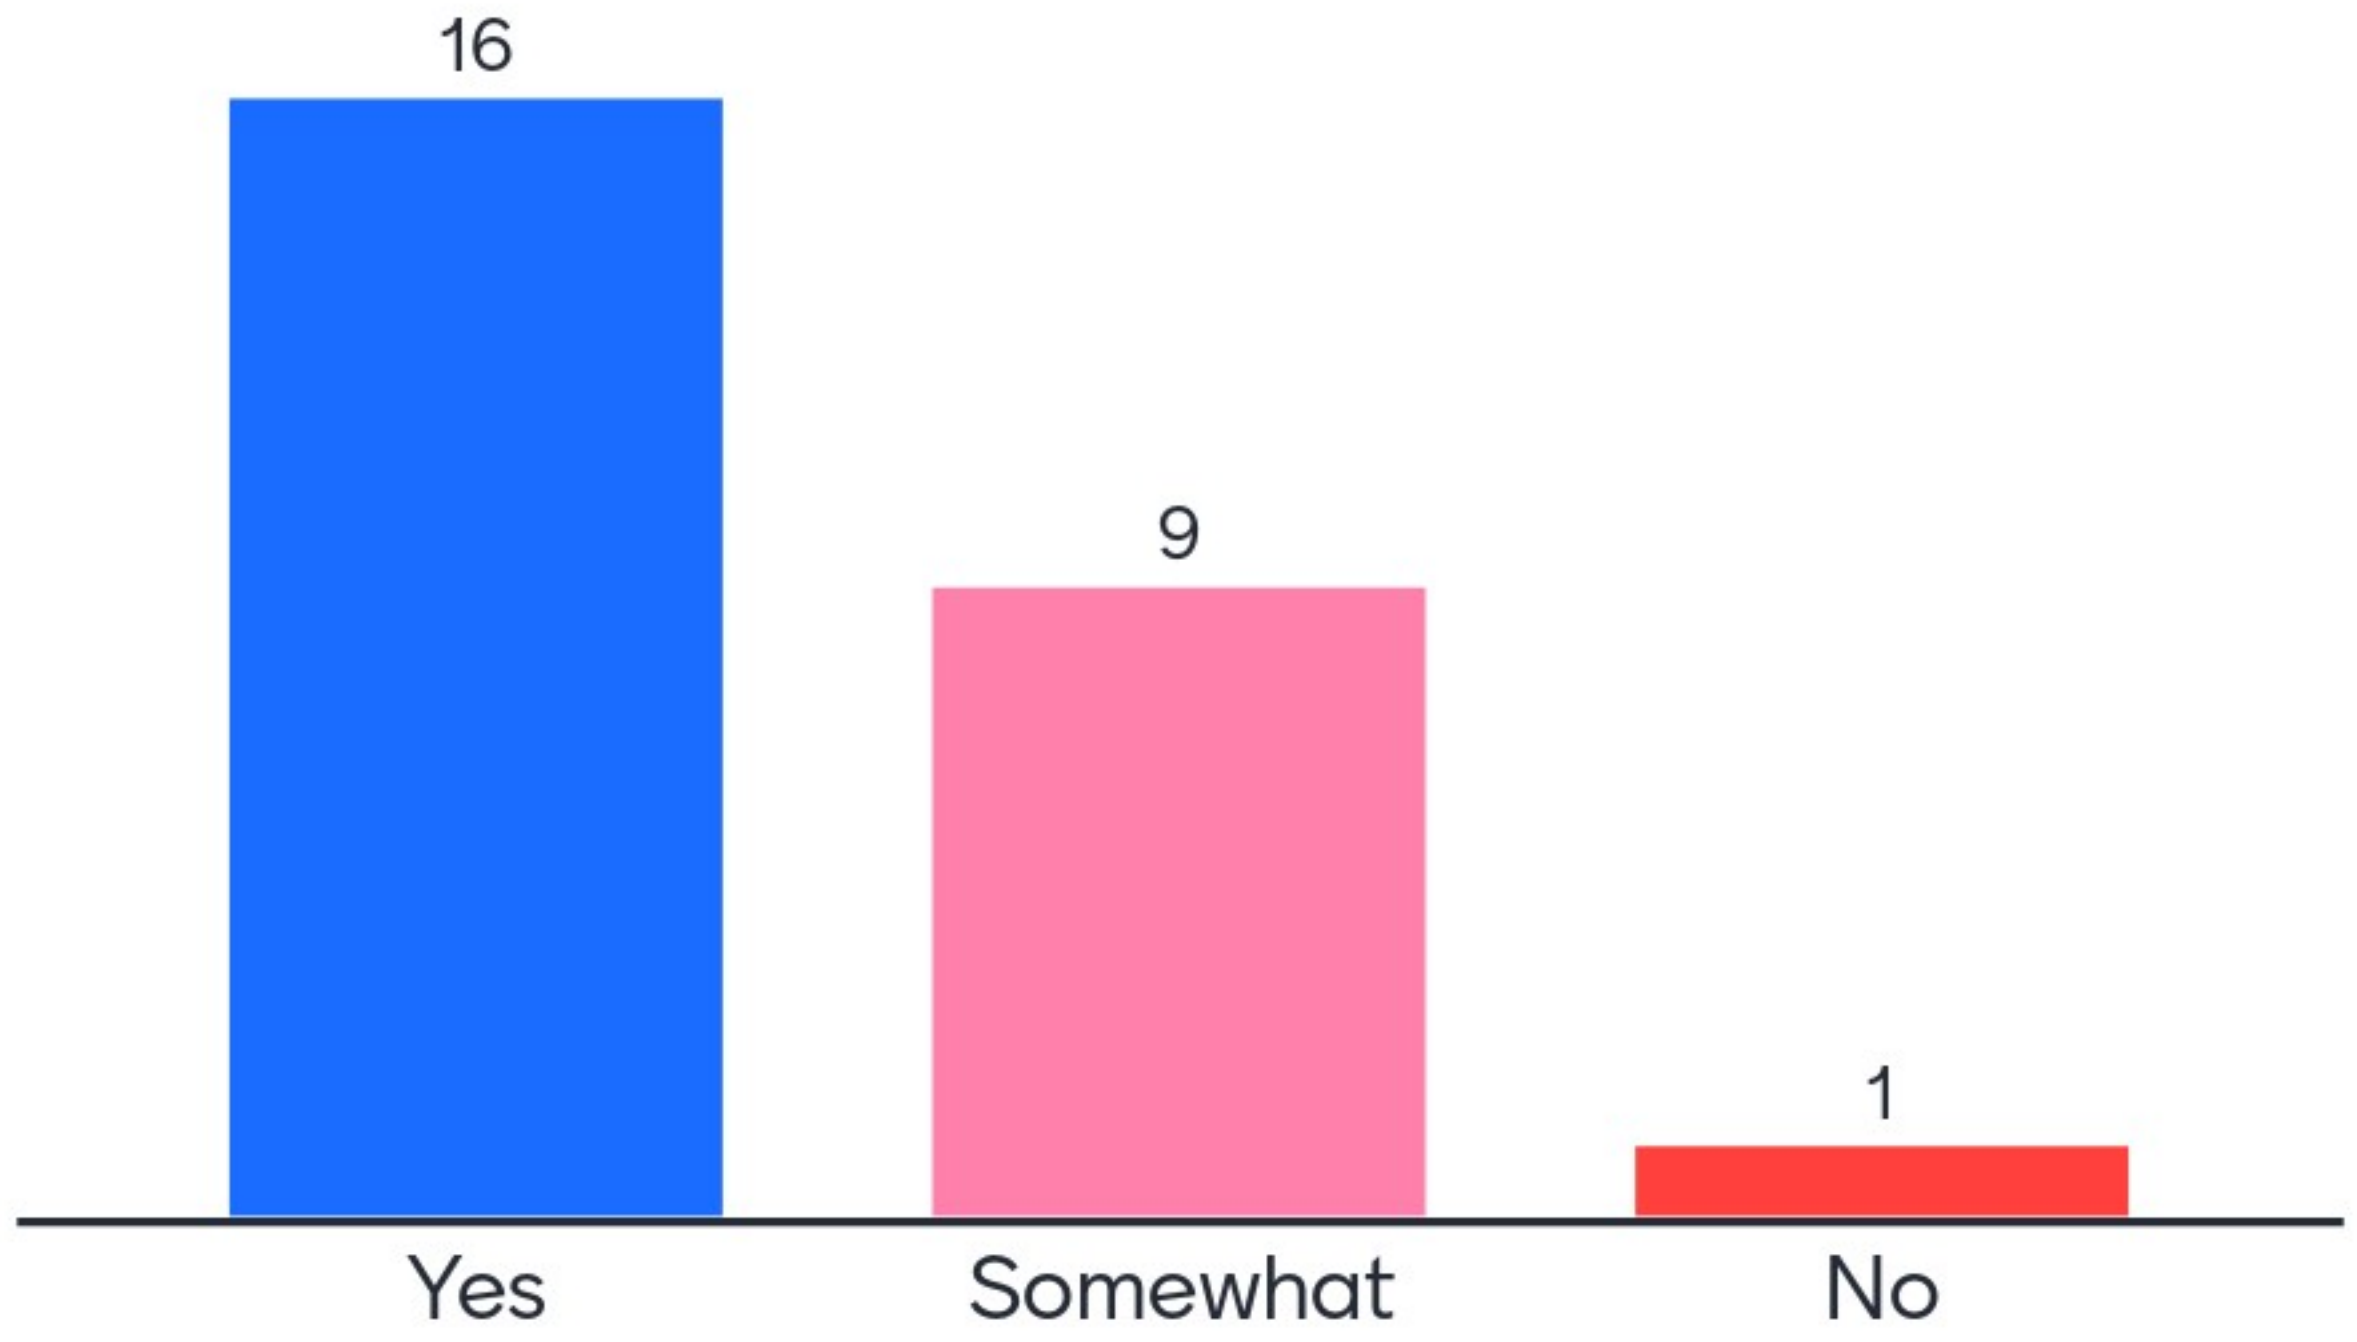

Anticipate submitting by the end of June 2023

Recommendations from School Building Committee

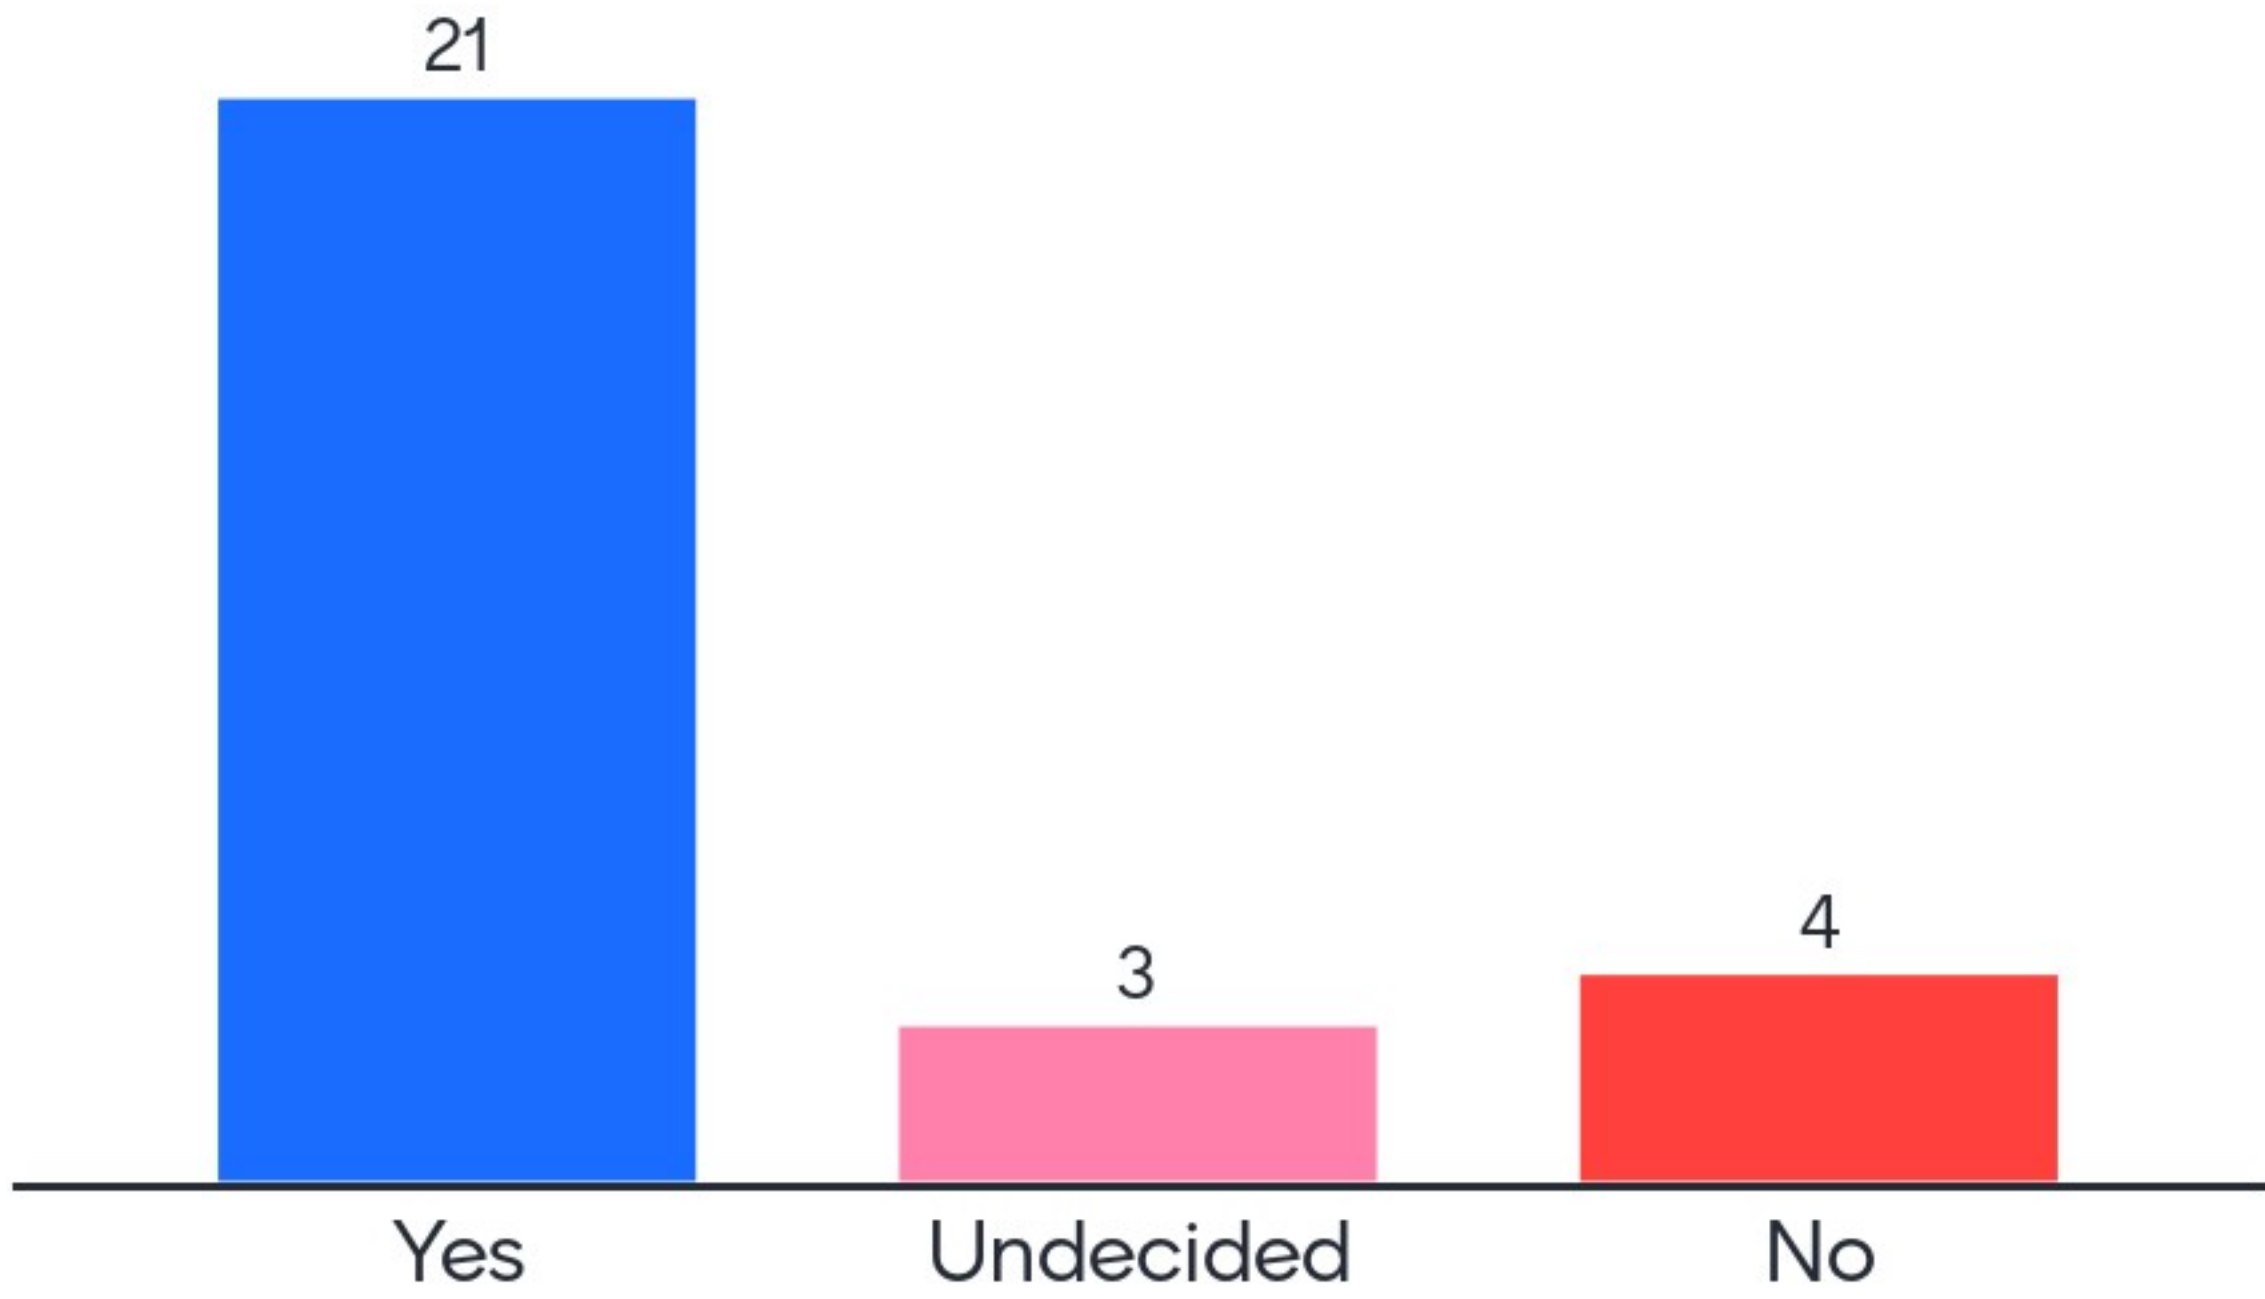

School Committee Approval

Town Council Approval

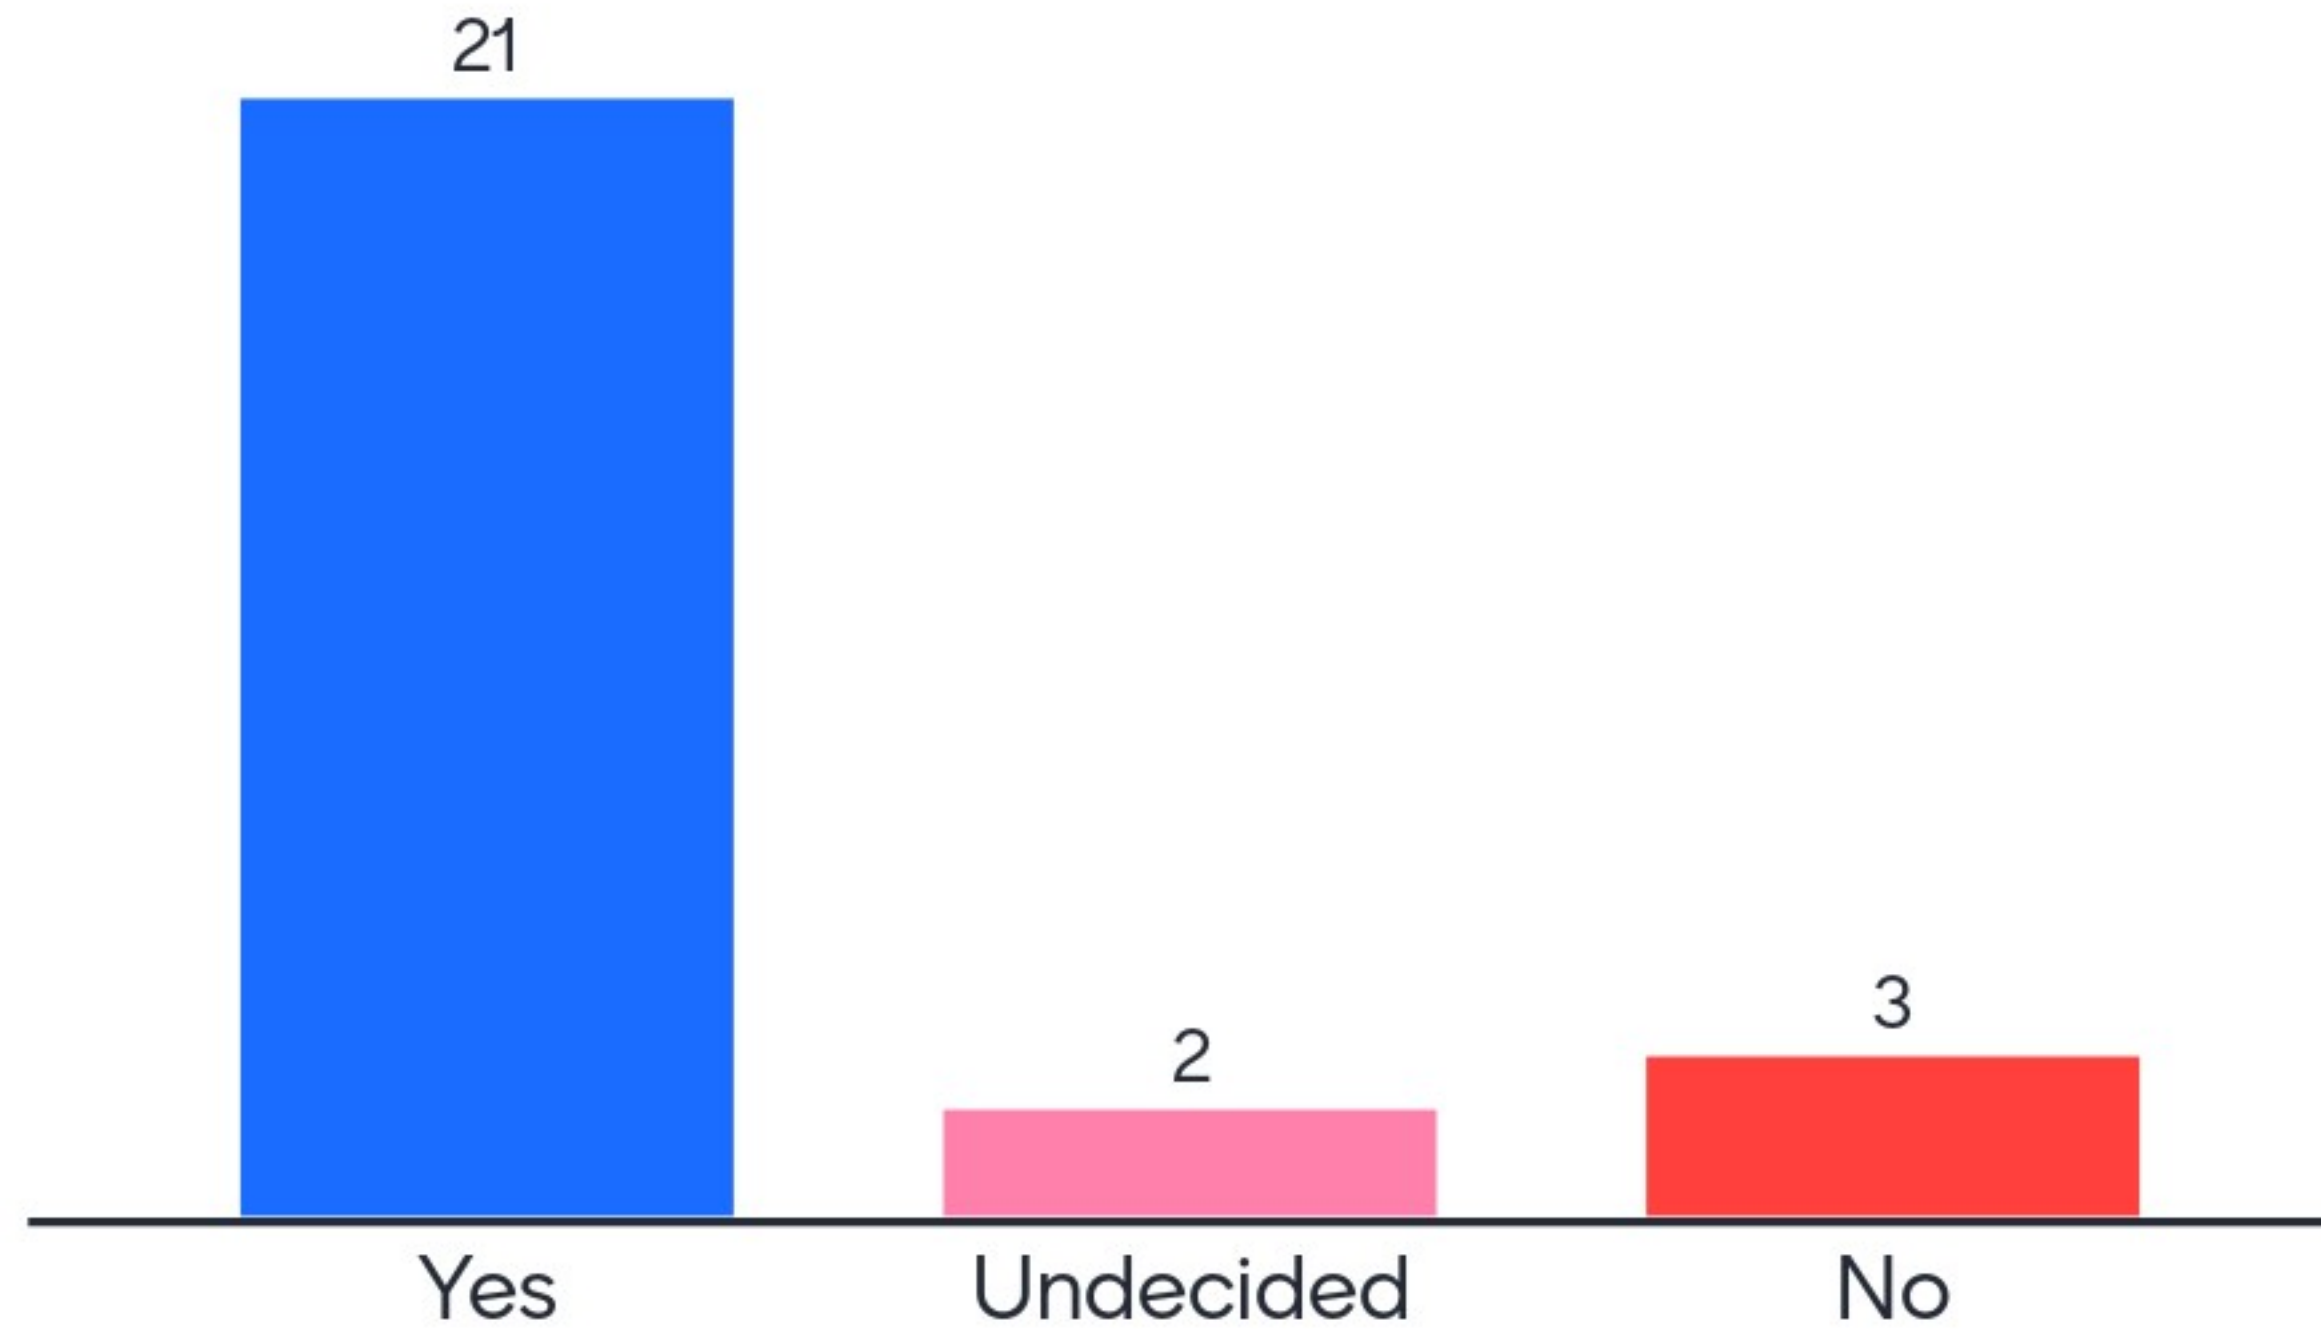

Has the overall process over the last year been engaging & transparent?

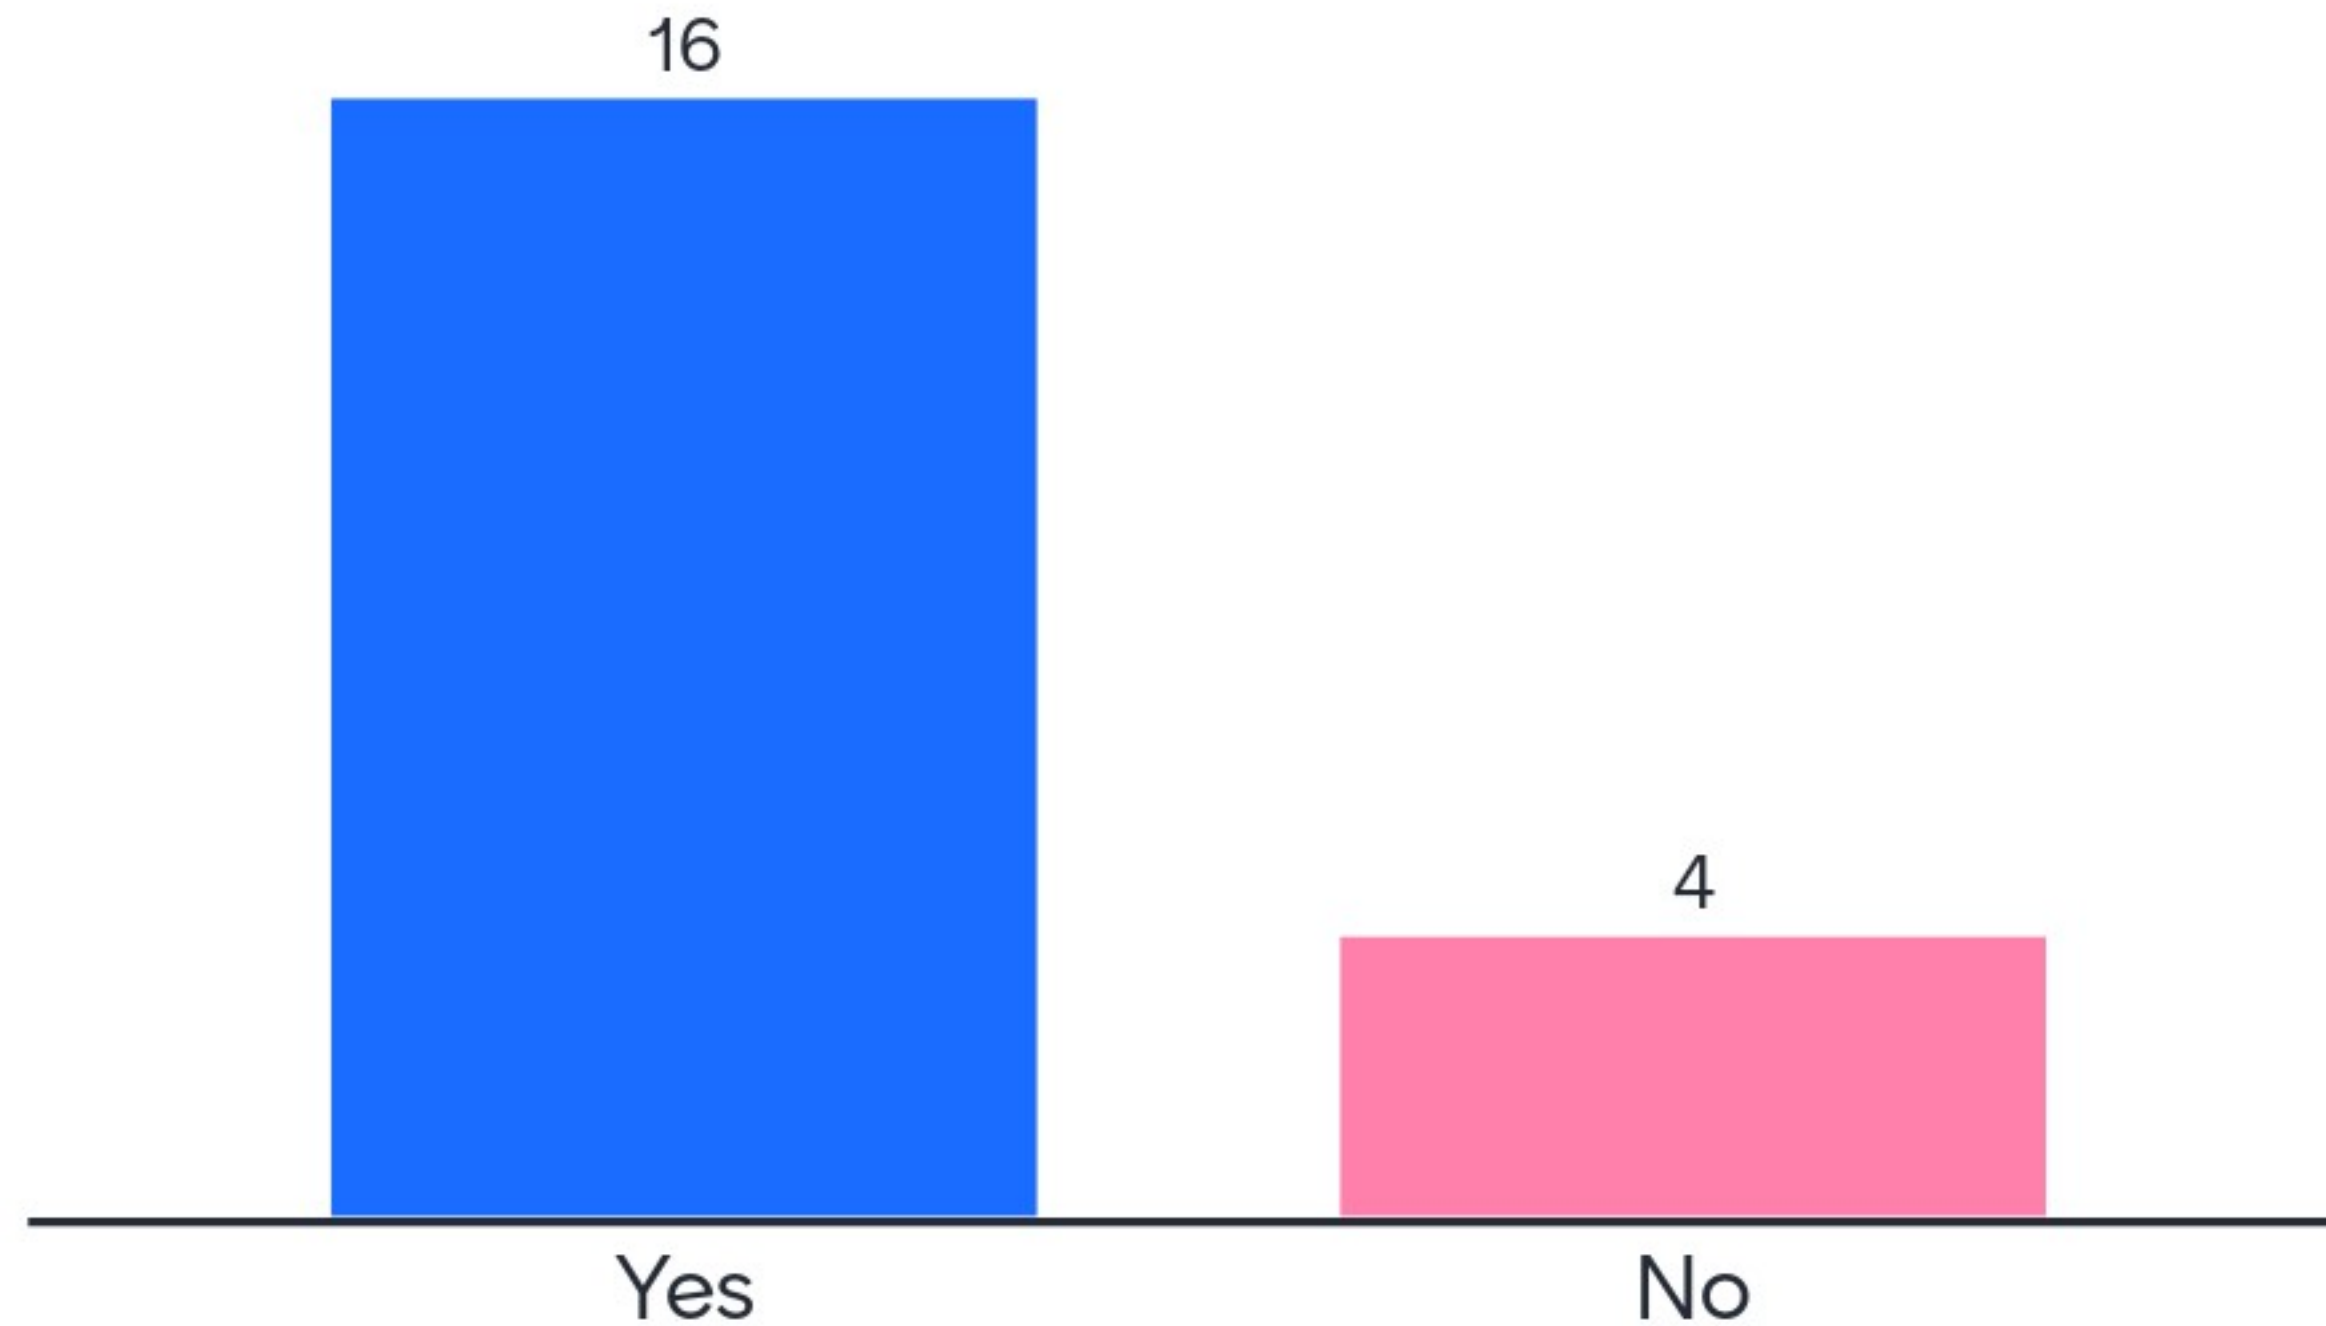

Do you feel this is the right PROJECT for SK?

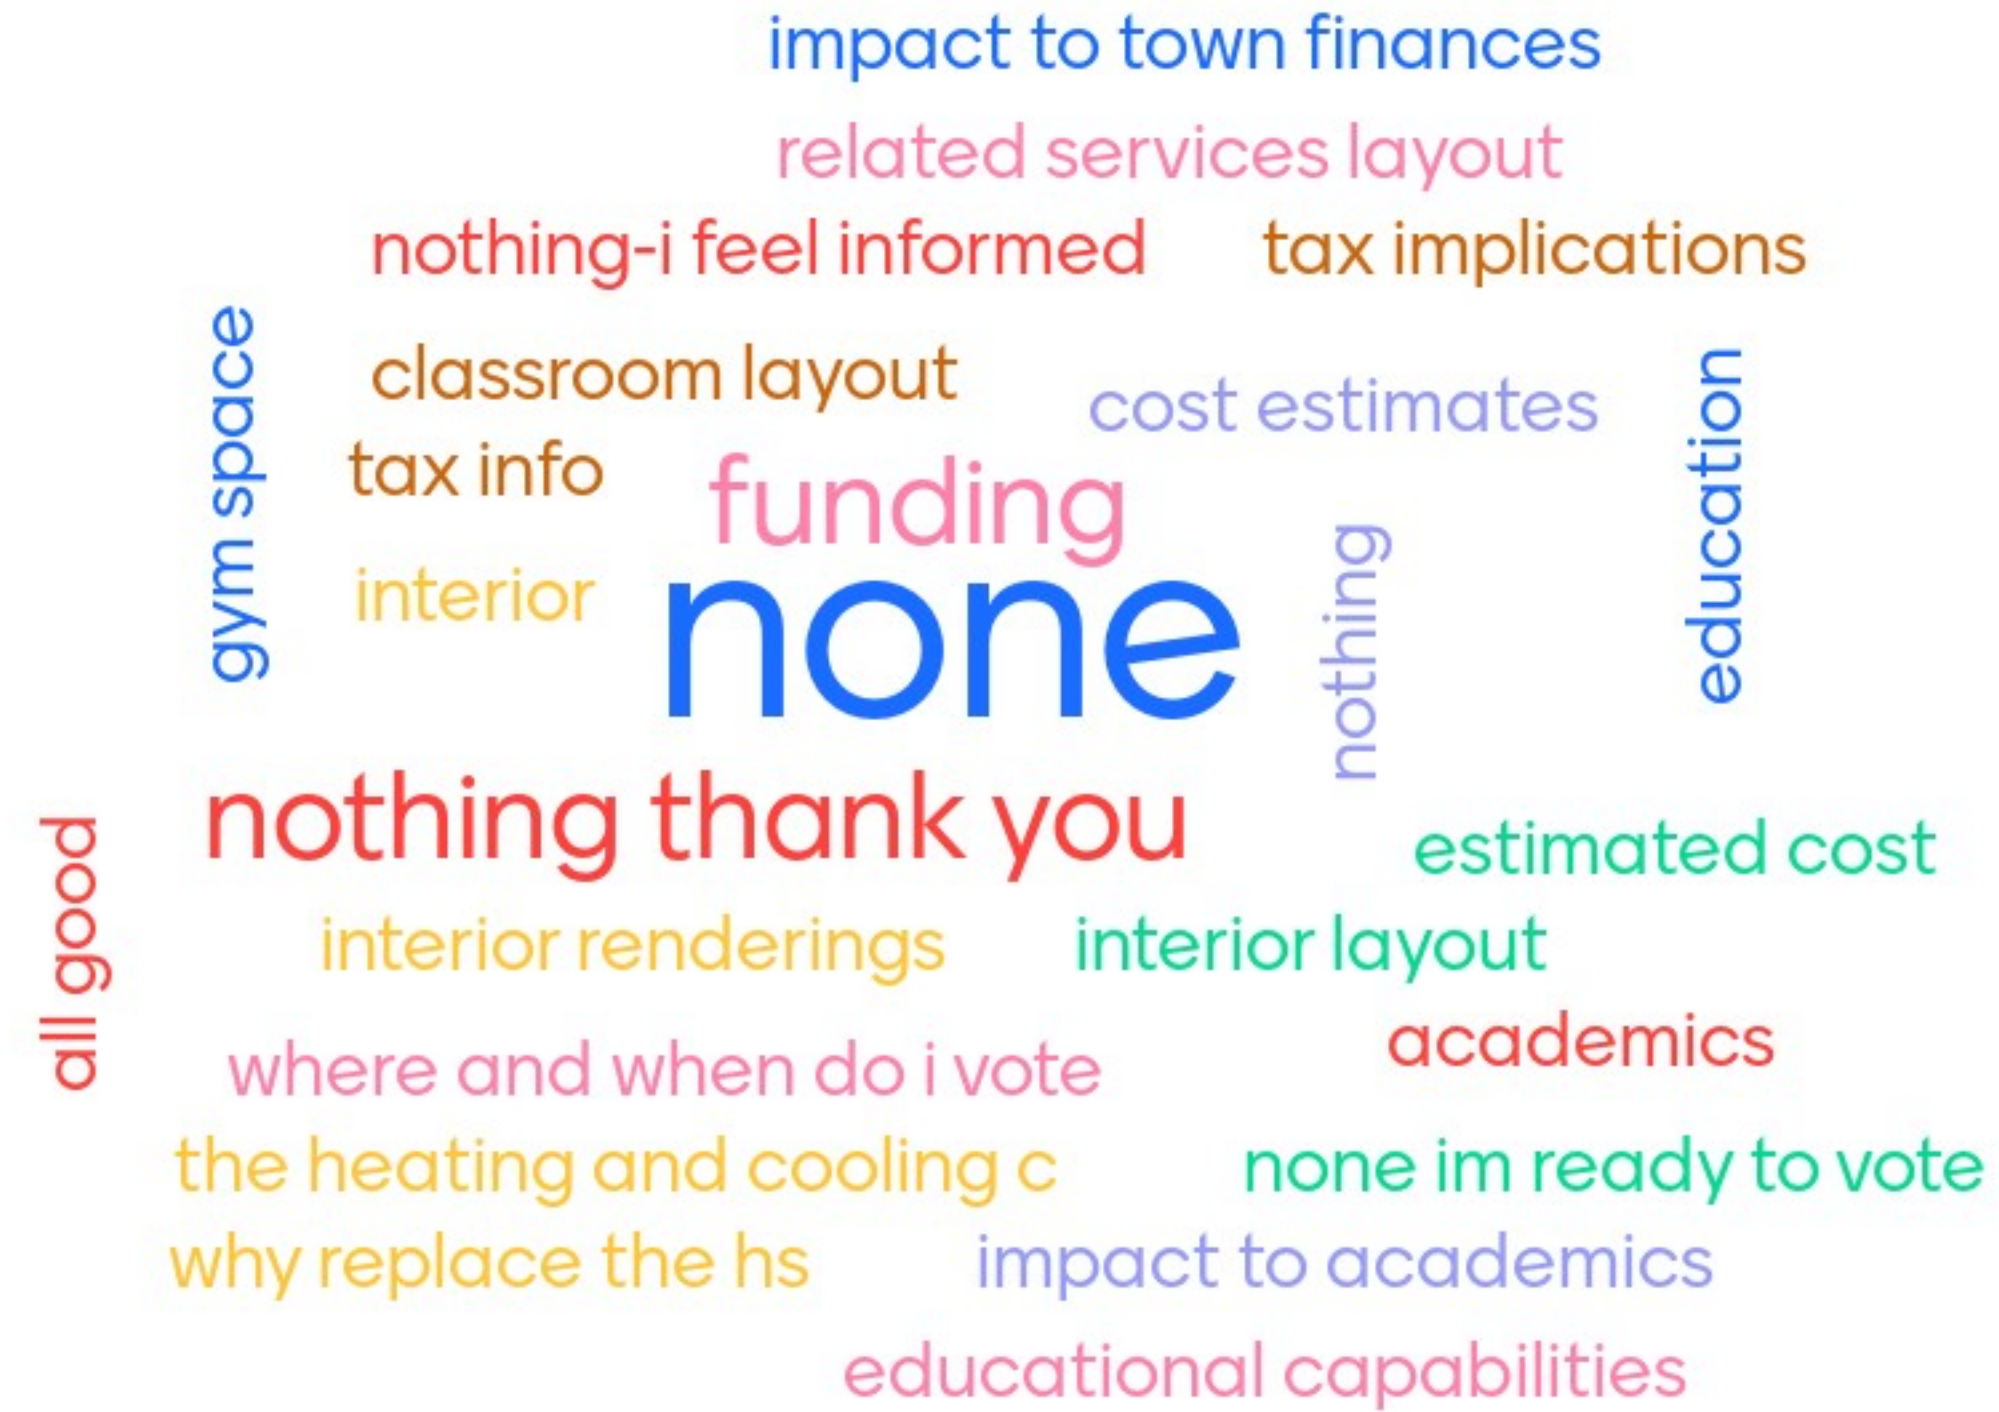

Do you feel this is the right time for this PROJECT?

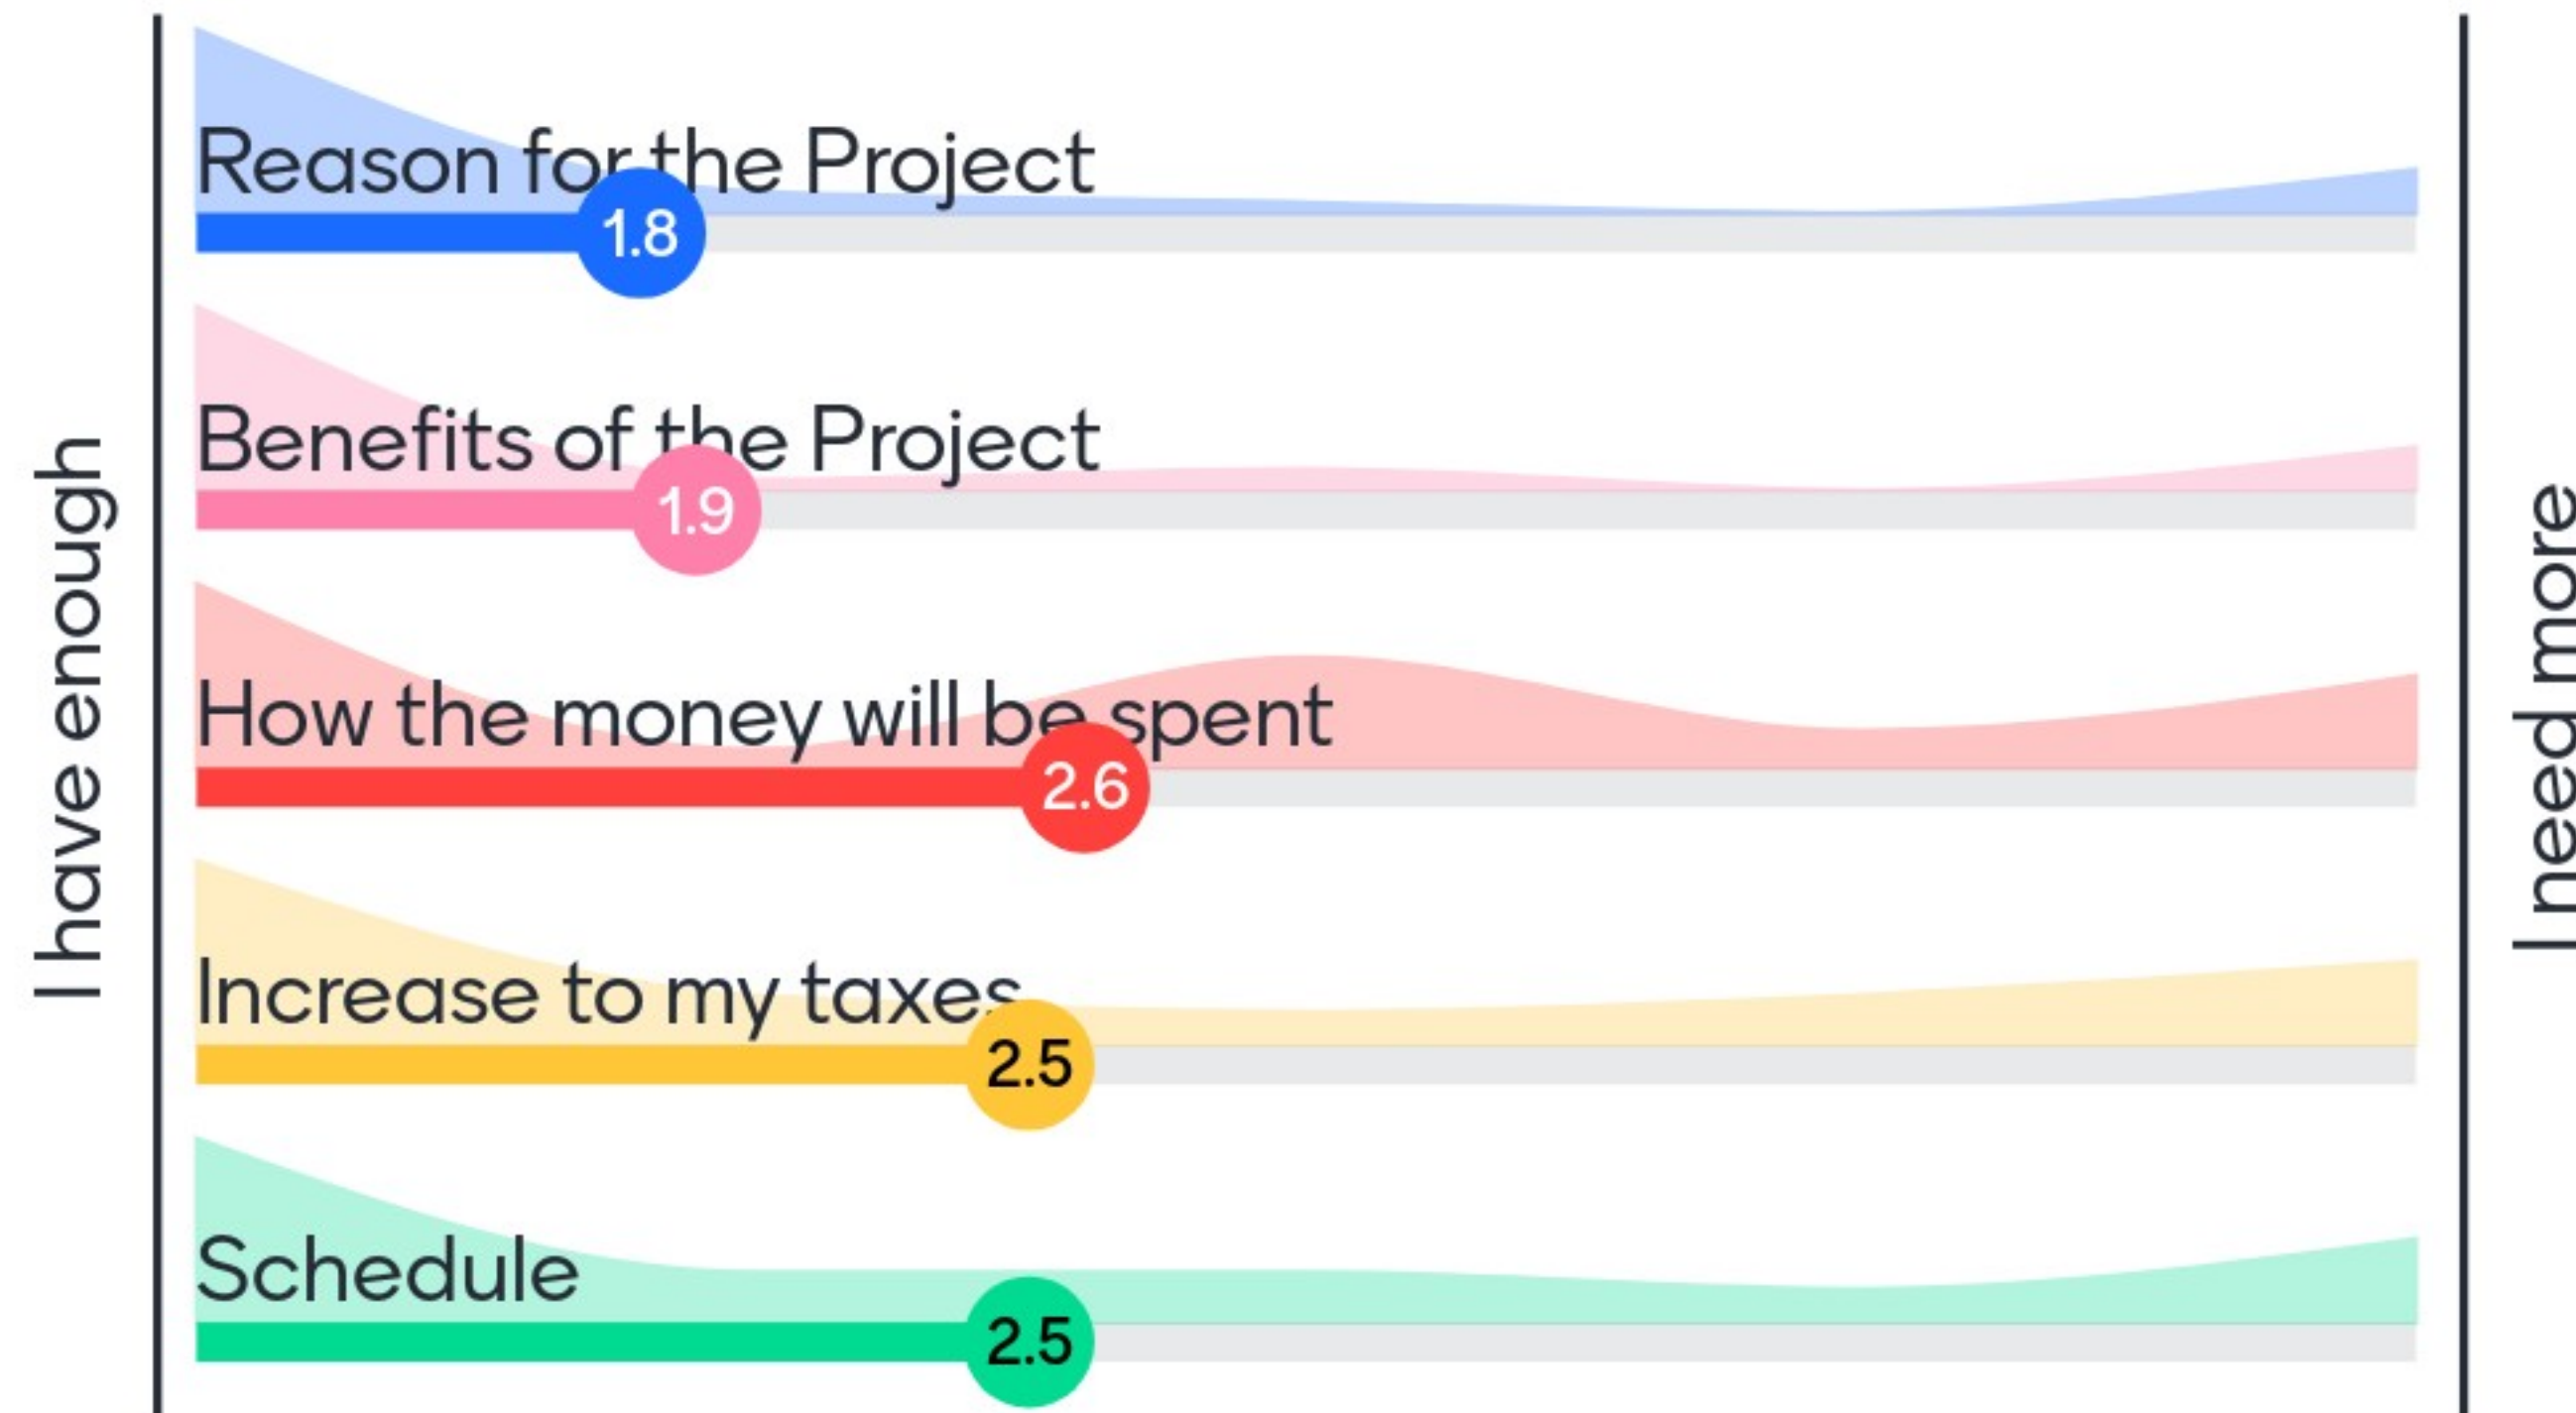

Do you feel informed enough to vote in an upcoming School Construction Bond Vote?

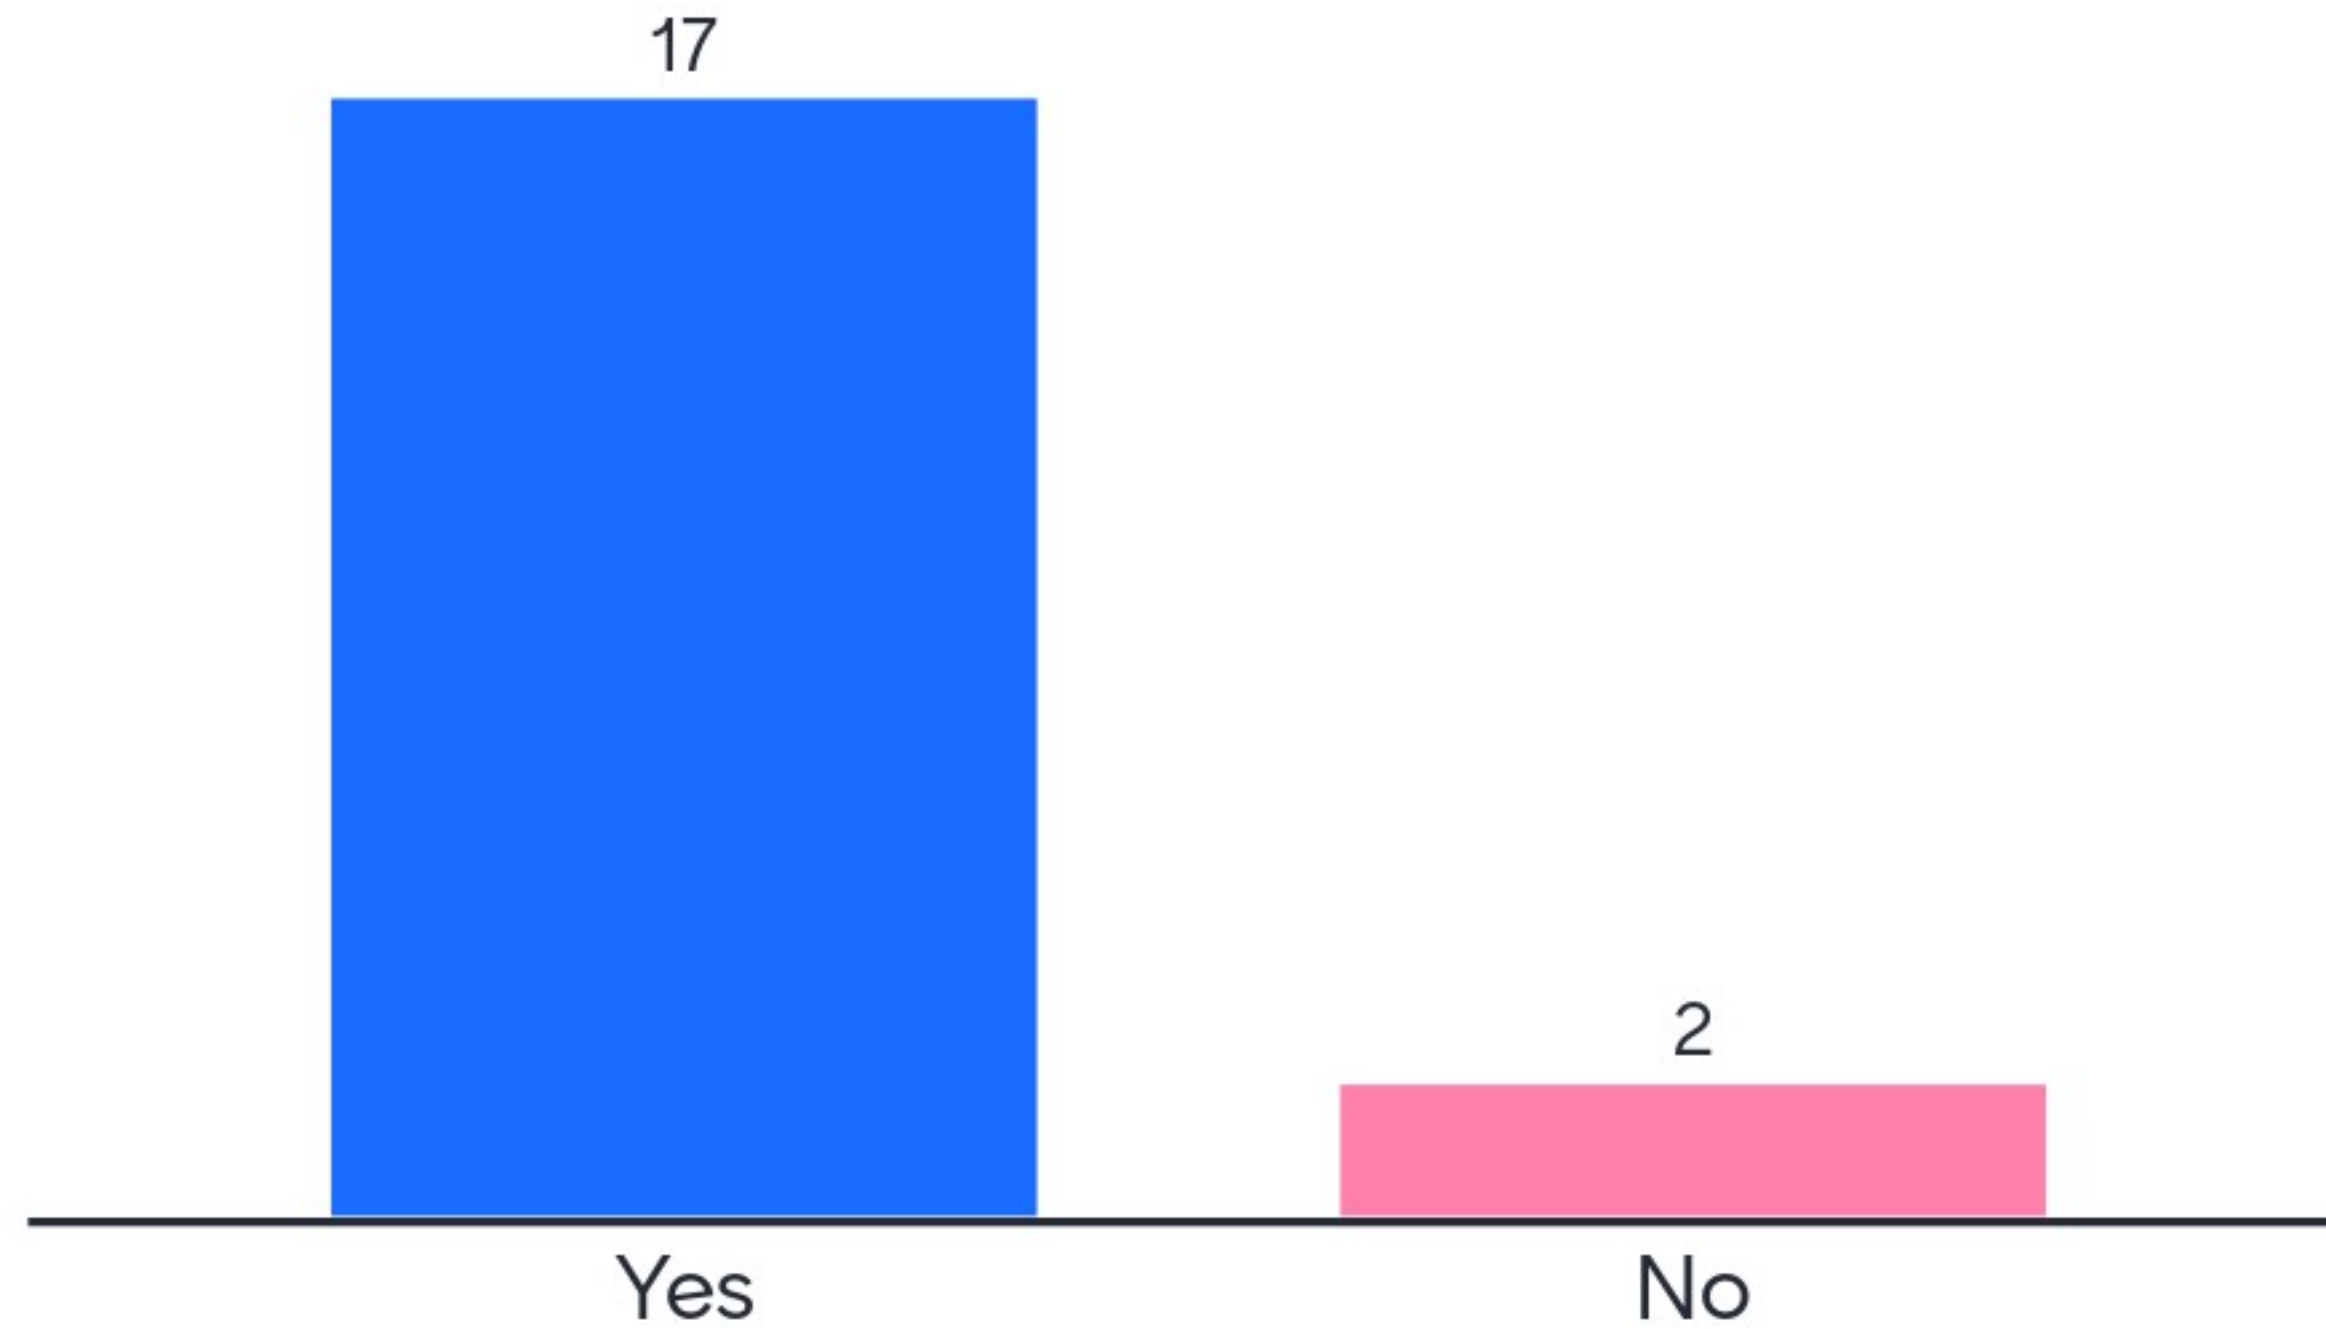

What more information do you need before the Bond Vote?

How much information do you feel that you need before the Bond Vote?

If asked today...will you be supporting the \$125M School Construction Bond ?
